## How to Get Started: Bring the Program to Your Site

This is how to engage the SourceAbled team if you would like to hire SourceAbled talent at your site, but the program has not yet been implemented there.

## **Best Practice to Get Started**

- If you are interested in getting started, <u>attend a training</u>!
- Contact the <u>Pfizer SourceAbled Program Team</u>
- Get involved with the Global Community of Practice Coming soon!

Reach Out To the Program Team

You can contact the Pfizer SourceAbled team **here** 

Schedule Initial Introduction

Meet the team and discuss hiring needs

Determines Phase of Implementation

Andover, Sanford & Tampa are in the Pilot Phase, other sites to be added in later phases

Site Core Team Determined

Establish the people at your site that will discuss open positions and drive the program implementation and partnership

Site Accommodation Forum

Establish the people at your site that will discuss accommodations and needs of SourceAbled talent
